On June 6, 1974, safety patrol members (pictured above) were awarded certificates and pins signifying their excellent contributions to the Appomattox Primary School Safety program. The certificate was in recognition of meritorious service rendered in protecting the lives of school children while serving as a member of the School Safety Patrol.

Safety Patrol Members Elected For 1974-75 At APS

The School Safety Patrol meeting also included the exchanging of "belts and badges" to the newly elected members. Upcoming second year students (pictured above) have been training the last two weeks so as to be able to receive the School Safety Patrol Emblem.

Carbaugh Addresses Farm Broadcasters

"Agriculture in Virginia - - and throughout the nation - - is in a period of marked and rapid transition," said S. Mason Carbaugh, Virginia Commissioner of Agriculture and Commerce, in an address today to the Southeastern Regional meeting of the National Association of Farm Broadcasters in Charlottesville, Va.

The Commissioner pointed out that the day of low-cost land, low taxes, and reasonable labor is gone, as our farmers are now confronted with greatly increased taxes, high priced labor, and much more costly land.

"We will undoubtedly see changes in the organization of our entire agriculture industry," Carbaugh said. "In fact, it may be difficult to purchase and pay for the land resources needed within one generation."

The Commissioner predicted that Virginia's industry of agriculture will rise to meet the challenges ahead, and will achieve many more outstanding accomplishments as we progress toward 1980 and the decades beyond.

"Although 1973 was a record breaking year," he said, "we are now faced with a very tight economic situation in agriculture. Prices for farm products are not as good as they were in 1973, while the costs of fuel, fertilizer, chemicals, equipment, and other inputs are up drastically. Hopefully, prices for farm products will be high enough to offset these increases and keep farmers economically sound."

Carbaugh praised the group for their efforts on behalf of farmers, but stressed the need for farm broadcasters to direct more information toward the general public. "Agriculture has become a highly modernized business operation of vital importance to our entire economy," he said, "and there is a real need for the general public to be better informed about agricultural developments."

Warren's Beats Lawson Ford 16-6

Warren's Restaurant scored eight runs in the third inning, most of them unearned, to score a 16-6 victory over Lawson Ford in a Class "A" league softball game in Lynchburg last week. The game gave Warren's a one game lead over Lawson's in the league as both were tied for first place at the start of the game. Warren's is now 8-3 and Lawson's is 7-4.

Lawson's led 2-1 going into the third inning, but the eight run outbreak in the third put the icing on the victory as they came back for three more in the fourth for a 12-5 lead.

Mike Mallow and Les Irvin led the attack for Lawson's with three hits each. They were followed by Pete Lampman, Earl Martin and Charles Jamerson with two hits each.

Big Inning Gives Columbia Mortage 8-4 Win Over Lawson's

Columbia Mortage scored seven runs in the fourth inning and one in the sixth for a 8-4 win over Lawson Ford in the Class "A" league of softball in Lynchburg last week. Lawson's is now 7-5 and C M is 8-4.

Lawson's took a 3-0 lead in the second inning but Columbia Mortage batted around in the fourth inning and scored seven runs to take the lead. Columbia Mortage had left six men on base in the first three innings without scoring.

Johnny Cash and Doug Mitchell were the only two Lawson Ford players with more than one hit, as they each had two.

Police Using Moving Radar Devices in Patrol Cars

State police are now using radar devices operated from moving patrol cars which detect the speeds of oncoming cars, Colonel H. W. Burgess, Superintendent of the Department, reported today.

These devices, he explained, are easily mounted in a car and just as easily transferred to another, they are totally electronic, absolutely accurate and give an audible signal, in addition to the speed reading, when a vehicle driven in violation contacts their beams.

Colonel Burgess continued in saying that the moving radar have two tremendous advantages in that they permit troopers to perform duties without the necessity of watching the devices and they do away with the necessity of turning around and pursuing an oncoming speeder who will have to slow before a speedometer check is made. "Courts will not ordinarily accept speed evidence when it is checked by visual estimation only," he said.

They may also be used stationarily, as are conventional radars, to detect speeds of cars moving in either direction.

Colonel Burgess said further that the Department experimented with the devices for some two years without making arrests. In mid May, the Department began making arrests, after demonstrations to judges and Commonwealth's Attorneys.

"Our use of them is no longer experimental. We are satisfied that their evidence is precise and scientific," he noted.

Film On Drugs To Be Shown At Bible Baptist Church

This Sunday night, June 16, 1974, at 7:00 p.m., Trooper Robert Netherland will be coming to the Bible Baptist Church to show two color films on drugs.

"PILL POPPER" is a twenty minute color film dealing with two teenagers caught up in dropping pills and the effect it has on their lives.

"THE DOWNERS" is a fifteen minute color film showing the suffering of a young person from drug use.

Young people and parents are invited to come and view these films. Parents just because your children don't use drugs **OR** you think they don't use drugs, is no evidence that they will not be enticed "tomorrow". Come and bring your children with you.

After the films we will have a 15 minute "Question and Answer" period.

VBS AT NEW HOPE

Finally we came to the last of our chats about Bible School at New Hope during the week of June 17. You remember, don't you, that we came at 10:00 a.m. Saturday, June 15, for registration and a picnic, the picnic part coming near 11:30 a.m. Then starting on Monday, June 17, the hours will be 9:00 - 12:00 each day through June 21.

Mr. Holliday will lead the older youth and his assistants will be Mrs. B. Carter, Pat Torrence, and Connie Gobble. The members of this group usually meet in the homes of the pupils at night. Proper announcements concerning time and place of meetings will appear in the church bulletin.

"Joy in the Christian Life" is the book for older youth. When we realize that the writers of the material are college professors, a college president, the principal of the Hawaii Baptist Academy and a homemaker who has written several quarters of youth Sunday School curriculum, we know the study material will be interesting.

The Bible material from Philippians should make the older youth feel at home because they have studied about Paul in Sunday School for weeks. They know that Paul claims that belief in Christ as Savior is sufficient for salvation (and we do too), that you find life by losing it, that you do all things without "disputings and murmurings". In other words, Paul's letter to the Philippians is really relevant for our older Christian youth.

Come on out and join the evening sessions if you are interested in some thorough Bible study, if you want some help for living a life completely committed to Christ.

If anyone needs transportation to attend Bible School, please get in touch with the Rev. Deryl Holliday, or Mrs. Carrie Gilbert or Miss Betty Garrett. They will do their best to provide for your needs.

Bring your friends with you and join us next week.

(We wish to express **deep gratitude** to the staff of the **Times-Virginian** for giving New Hope such good publicity for VBS.

Jordan News

Junior Choir practice will be held Mon., June 17, at 6 p.m. All members are asked to be present and on time.

On the 4th Sunday afternoon at 3 p.m. the church will celebrate their anniversary.

On the 30th of June at 7 p.m. the Harps of Zion will celebrate their 3rd Anniversary. Appearing on the program will be the Golden Voice of Dillwyn, The Community Singers of Halifax, The Gospel Chorus of Buckingham, The Holiness Singers of Pamplin and many others. The public is invited to attend.

On the 1st Sunday night in July at 7:30 p.m. the Spiritual Knights will be singing here for the benefit of the Junior Choir.

For cleaner soybeans, without incorporation, tank-mix Lorox* with Lasso®.
You'll control almost any annual grass or broadleaf weed that's in your soybeans... a broader spectrum of control than either could provide by itself.
With Lasso plus Lorox,* you can count on controlling fall panicum, common ragweed, pigweed, smartweed and crabgrass.
And you don't incorporate Lasso plus Lorox. You can save yourself a trip over your fields. Pretty important these days.
So start making your plans now to harvest cleaner beans.
Go with a preemergence application of Lasso plus Lorox.
Lasso® HERBICIDE BY Monsanto
As with all agricultural products, read and follow the Lasso label instructions.
*Lorox is a registered trademark of E.I. DuPont de Nemours and Company.
